

bastow tapware range

bastow

bastow

An Australian brand with nearly 20 years experience in the tapware and accessories market, Bastow is recognised as one of Australia's market leaders in the design and manufacture of quality tapware and bathroom accessories.

Bastows' strict adherence to quality system guidelines guarantees the outstanding quality and reliability of its products, thus ensuring that the highest standards of precision in manufacturing, testing and inspection are applied at every stage of production.

Bastow tapware and accessories are guaranteed against faulty workmanship and/or materials for five years. Furthermore, all of our tapware complies to AS3718, and WELS ensuring the best possible quality product and your peace of mind.

Bastow ranges vary from yesterday's bygone era style to tomorrows stylishly modern designs. A diverse and extensive range of colour plate and powder coat finishes are available.

This charming selection of colours and finishes coupled with Bastows' broad offer in style is what makes it unique.

the victorian range

the victorian range

The Victorian range reflects the style and quality of 'turn of the century' tapware.

Victorian features distinctive knurling, which captures the decorative originality of the period and distinguishes this range as authentic period tapware.

Victorian is manufactured in Australia and features a comprehensive range including matching accessories.

For a comprehensive list of colour finishes and products available in this range please see pages 17-19.
